1. Unit Maintenance

Each Occupant shall maintain his condominium unit in good condition and repair, including all internal surfaces within or surrounding his unit, including windows, screens, doors, door frames, and hardware; and maintain and repair the fixtures therein as soon as possible. Common areas such as landscaped and grassed areas, recreation area and facilities shall be used only for the purposes intended. No articles belonging to the unit occupants shall be kept in such areas temporarily or otherwise.

Each unit shall be used only for the purpose of a single family residence and for no other purpose whatsoever. Each Unit Occupant shall maintain his unit in a clean and sanitary manner. The patio and porches shall be used only for the purposes intended and shall not be used for hanging garments or other objects, or for cleaning of rugs or for other household items.

No person shall make any alteration of any kind to the Common Areas, Limited Common Areas, or exteriors of the units. This includes, but is not limited to, exterior walls, lighting fixtures (consistent with community norm and/or safety needs), doors, windows, and house numbers. Specifically forbidden is the exterior addition of any pipe, wiring, antenna and the like, except customary decorations during holiday seasons, which should be removed within 14 days of the end of the holiday.

Unit owners are responsible for maintaining exterior doors and frames; window glass, frames, and screens; and all hardware in good condition and repair. If the repair or maintenance is not performed as required, the Association may, after 30 day written notice, perform the repair and charge the unit owner at cost, plus a service fee of twenty-five percent (25%).

2. Garbage/Recycling

It is the responsibility of Unit Occupant and/or Owner to put covered trash container out no earlier than the evening prior to collection day, and retrieve empty containers no later than the evening of collection day. Trash collection days are Monday and Thursday. If trash collection falls on a holiday, trash collection will be the next scheduled collection day. Recyclables are picked up on Monday only. 3. Pets

No pets other than dogs, cats, domestic birds, fish, or other common house pets, shall be permitted. Not more than two (2) pets may be kept in any condominium unit except fish, domestic birds, hamsters and gerbils which may be maintained in reasonable numbers. No reptiles, birds of prey, poultry, farm animals, skunks, rabbits, ferrets and similar animals not normally considered household pets shall be permitted.

Hillsborough County law provides that all dogs and cats be vaccinated and be under the direct control of the owner or keeper. Direct control is the immediate, continuous physical control of an animal such as a leash, cord or chain of such strength to restrain the animal at all times.

The "Pooper Scooper Provision" states that any feces deposited by a dog or cat must be removed immediately by the person who has custody or control of the animal. Failure to remove animal waste as required by Section 14 of the Hillsborough County code may be fined \$50 for the first offense, \$100 fine for the second offense and a Mandatory Court Appearance for the third offense.

Pets are not allowed in the clubhouse, pool areas or tennis courts. Cats, dogs, and other pets are allowed to be kept in, on, or about the condominium property upon terms, conditions and specific approval of the Association or Management Corporation only.

Pet owners are responsible for maintaining their pet so as not to annoy other residents. This includes but is not limited to unreasonable barking of dogs and excessive pet odors. Any barking of pet or other annoyance to other owners may be cause for removal of pet from premises.

7. Storage/Boat Yard

There are 31 spaces available for 296 units. Please be considerate in your parking and in your use of the facility. Vehicles/vessels not in compliance with the rules will be subject to tow.

Frequently Asked Questions

What items can be stored?

Only personal use vehicles or vessels are allowed to be stored in the Yard: personal use boats, trailers, canoes, kayaks, campers, tops, motorcycles, jet skis, RV's, cars, trucks, etc. A resident's commercial-use vehicle or trailer cannot be stored. All items must be currently, legally registered, licensed, and tagged and in complete operable condition at all times. This includes inflated tires. **In addition, all stored vessels and vehicles are required to have a valid and current Raintree Manor decal.** These decals will be issued by the POA Management Company. No other items, such as lawn mowers, lumber, or surplus doors can be stored in the yard.

Why do residents need to update the registration information annually?

In order to assure the POA's records are current, boat/storage yard users must provide copies of their current registration at the beginning of each year. This will maximize the availability of spaces for residents' proper use.

What are the requirements for authorized storage space?

Residents applying for keys to the Yard must complete an application at the management company. Photocopies of registrations must be attached to the application. **All items to be stored in the Raintree Manor Boat Yard must be registered to a current Raintree Manor resident, and the registration must reflect a Raintree Manor address.** Due to space limitations, no more than one slot can be assigned to a unit and there are size restrictions on stored items.

What are the requirements for adding/changing items in a storage slot?

Residents need to submit registration photocopies for the new vehicle/vessel to the management company and secure a decal for that piece of equipment. Every vehicle/vessel must have a RTM decal. More than one item can be stored in a resident's slot if they fit, for example a boat and trailer or two jet skis, but each must have a decal.

Where in the Storage Yard do residents park?

Owners will be assigned a numbered slot according to vehicle/vessel size and space available. Residents' decal numbers will match the number of their assigned spaces to park. Residents are required to park in their assigned spaces. Owners of canoes, kayaks, or rowboats may secure these to the racks and should not leave paddles, oars, life jackets, or other unsecured items in the yard.

RAINTREE MANOR HOMES CONDOMINIUMS

What If a resident moves?

When a Raintree resident who is utilizing the Boat/Storage Yard moves from the Manor, he/she must remove all stored items within 14 days to allow room in the Yard for new residents' use. **Items not removed will be considered abandoned and will be subject to salvage.** Return of the Storage/Boat Yard key is required.

Storage/Boat Yard Usage Agreement can be found in the back of this book under Key & Usage Agreements.

No radio or television antenna or antennas, or any wiring for any such purpose may be installed on the exterior of any building or upon the condominium property without prior written consent of the Association or Management Corporation. Subletting is permitted by the Declaration of Condominium only if prior written approval is obtained from the Board of Directors.

Owners wishing to lease their units must comply with all City, County, State and Federal requirements for rental units.

14. Use of Common Areas and Limited Common Areas

Common Areas

The Common Areas include all of the real estate, improvements and facilities of the Condominium other than the apartment units and shall include easements for conduits, pipes, ducts, plumbing, wiring, and other facilities for the furnishing of utility services to the apartment unit. All common areas are used at your own risk.

RAINTREE MANOR HOMES CONDOMINIUMS
